THE NEW FAX MACHINE(S)

F A X B O X E A S Y A S E M A I L

Documents sent to your fax number arrive as emails, available to view and print at your desktop, laptop and wireless devices -- anywhere you access your email account. Convenient, mobile and easy as email!

FaxBox from WMIS Internet converts faxes into PDF attachments which are sent to your email address. Your existing fax number can be switched to FaxBox, or get a new fax number, anywhere in Michigan. No unsolicited advertisements, and generous limits on the number and size of faxes received.

Coming soon -- send faxes from your email account too!
